SOCIETY**

PROVIDE STABILITY PRESERVE KNOWLEDGE EXPLORE NEW THINGS

The MatriForum Foundation stands for matriarchal values.

We're committed to making the findings of modern matriarchy research known and to spreading knowledge about egalitarian societies.

We create space for connection, knowledge exchange and research.

Together we develop future-oriented forms of coexistence, economic activity and decision-making.

Join the international movement and benefit from an extraordinary network!

It's up to all of us to make a balanced society a reality!
